

Cities of Refuge Visuals Instructions

1. Print out both pages. The map page is 11 x 17. The instructions page is 8.5 x 11. Consider printing on card stock or laminating for longer use.
2. Cut out the cities and Bible characters. Make sure to cut along the dotted lines at the top. This should leave a white tab above each city. Fold the tab over and glue onto the map so the city shape covers the name of the city.
3. As you talk about the cities, invite a student to lift a flap to discover the name of the city underneath.
4. Use the Bible characters to illustrate a character running to a city of refuge and the avenger of blood.
