

Don't Be Late for Church Review Game

Instructions:

Print out the board game template (15 x 20) and glue it to cardboard for longer use. Print and cut out the characters (8.5 x 11). (Print on cardboard or laminate for longer use.) Use sticky tack or glue dots to attach characters to the board at Start. Use a spinner with numbers or dice to determine how many spaces a team piece should move. When a player is moved to a new space, award the team with the amount of points on the space or follow the instructions on the space. (The space with the dice means "roll again.")
