

Find the Lost Sheep Game Instructions

Note: This game is intended to be played in accompaniment to teaching the Parable of the Lost Sheep from Luke 15:1-7.

1. Print and cut out the circles below.
2. Color them if you'd like or leave them blank.
3. Cut 3 inch x 3 inch squares of colored construction paper or card stock and glue a circle onto each one.
4. Turn the squares upside down so the circle is not visible.
5. Invite your students to take turns picking a square and searching for the lost sheep.

Note: For effect, you can allow students to come up to pick a square at different intervals while you're teaching the lesson.
