

I AM Wheel Instructions

1. Print out both pages and cut out each circle. Pages are designed at 11 x 17.
Print on card stock for longer use.
2. Follow the lines to cut out the section from the white circle.
3. Attach the circles to each other with the white circle on top using a brad paper fastener. (Poke it directly through the center.)

Note: When teaching on the I AM statements of Christ in the book of John, you can invite your students to use the wheel to guess which statement you'll be studying for the lesson.
